

# LETTER OF ACCEPTANCE OF GOVERNANCE PRINCIPLES AND ABIDING BY THE INSTITUTIONAL POLICIES

Who signs declares having the knowledge that the Centro de Enseñanza Técnica y Superior (CETYS) (Center for Higher and Technical Education) is a secondary and higher education private institution founded and sponsored by the Instituto Educativo del Noroeste, Asociación Civil (Northwestern Educational Institute, Civil Association) which is an non-profit organization. I am aware that this organization reaches its goals with the support of generous cooperation of private individuals and companies throughout the country, and that is willing to contribute and satisfy the education needs in the Mexican community and in Baja California in particular.

I know that the essential purpose of this institution, according to its mission, is "To contribute with the formation of persons with the needed moral and intellectual capacity to participate in an important way in the economic, social, and cultural improvement of the country."

I also recognize that CETYS makes sure, as a consequence, to set in the minds of its students the indestructible values that have been traditionally considered as basic so men can live in society in a peaceful way, and to satisfy the needs that its laborious mind allows him.

Due to the fact of belonging to this institution and attending its purposes, I have acquired different duties whose compliance will allow the materialization of the Vision and the Mission of CETYS. I agree that complying with my obligations as a student is an enrollment requirement in this institution. By virtue of what was stated, it is my will to accept and to comply with the following commitments:

- I. To comply with the Mission and Vision of CETYS.
- II. To comply with the norms contained in the Student Rules and Regulations that's in force for the corresponding academic level.
- III. To abide by the institutional policies and other norms that could arise during my stay as student in CETYS University as well as any reform after my enrollment.
- IV. To comply with the provisions contained in the Code of Honor of the Institution.
- V. To participate in the different activities that the institution organizes.
- VI. To comply with the provisions contained in the guidelines contained in the "Sí a la vida" ("Yes to life") program, and to participate within the activities intended for the detection of the use of Drugs in the terms of such program.
- VII. To comply with tuition payment obligations and policies, and other administrative and economic nature obligations.
- VIII. To have medical expenses insurance with the insurance company that the institution assigns or with any other that covers the contingencies that could arise during my stay in the institution.

I state that the information from the Code of Honor of the institution, the Student Rules and Regulations, the guidelines from the "Yes to life" program as well as the different policies and obligations as far as tuition payment and other economic obligations have been presented to me, and that I have been given a copy of such documents; this is why I am aware of my obligations as a student of this institution.

Due to my admission and belonging to the so called CETYS educational institution ("The institution") that is sponsored by the Instituto Educativo del Noroeste, A.C., I hereby sign the promissory letter at the \_\_\_\_\_ day of the month of \_\_\_\_\_ of the year 20 \_\_\_\_.

Student Enrollment No.      U. Degree      First name and last names      (Signature)  
The student

## PARENTS' COMMITMENT

In this act, the ones that sign, Mr. \_\_\_\_\_ and Mrs. \_\_\_\_\_

Parents or guardians of the student: we declare that we are notified of the obligations acquired by our son/daughter due to his/her belonging to this educational institution, and oblige to give him/her the necessary help so he/she can comply with such duties. We declare that in this act we acquire the obligation of fully complying with the policies and other institutional rules in regards to tuition payment and other economic and administrative obligations. Equally as well, we declare our commitment of participating in those activities organized by the institution intended on promoting the full human development of our son/daughter in the understanding that our denial to participate could bring as a consequence the exclusion of our son/daughter from this educational institution.
